GABRIEL W. GORENSTEIN, United States Magistrate Judge

In their May 19, 2023 letter (Docket # 349) opposing defendant's motion to compel (Docket # 343), plaintiffs propose that the Court's consideration of the issues in this dispute would be aided by in camera review of the documents. Without deciding that we will in fact undertake such a review, the Court directs the plaintiffs to provide the documents to Chambers so that they are available in the event the Court decides to consider them.

A clerk will provide an email address to counsel to allow for submission of these documents. The documents shall be accompanied by a cover letter indicating their transmission, which shall be filed on ECF, so that the record reflects that the transmission occurred.

SO ORDERED.
